Dear Mr. Reed,

As a Wayne County Commissioner I would like to send my deepest congratulations for producing **CruisIN' The D'<sup>TM</sup>** in Detroit, Michigan. I am honored and pleased to support your efforts to celebrate the accomplishments and contributions after a remarkable inaugural launched in 2014 at the pristine Palmer Park, with the cruisers doing the Detroit Loop<sup>TM</sup>. **The CruisIN' The D'<sup>TM</sup>** event attracted cruisers and tourists from Ohio, Illinois, Indiana, New York, California, and the Netherlands.

The cruisers celebrate the lives and legacies of the many workers and leaders who have shaped our region. Many of our Wayne County residents, Detroit homegrown heroes and living legends have left an indelible mark on our county. Detroiters have used their drive and determination to improve the quality of life for those in our city and across the world.

**CruisIN' The D'** is a vision long overdue for our community and is a wonderful way to pay homage to our community. Cruisers reaffirm Detroit's and Wayne County's ability to produce a positive influence in a variety of fields, including politics, business, fashion, and music. It also challenges and inspires future generations of Detroiters and Wayne County residents to continue and excel in all aspects of life.

I commend **CruisIN' The D'** for expanding its efforts to include metro Detroit and highlight the automotive capital of the world, Detroit. **CruisIN' The D'** multi-day event is an important networking resource for all people in Detroit and others across the nation.

Thank you **CruisIN' The D'** team for daring to dream and using your time and talents to strengthen our community. Together we make Detroit and Wayne County great.

Warm Regards,

  
MARTHA G. SCOTT
